Mr. L. Kadoorie,
547 The Peak,
Hong Kong.

Dear Mrs. Kadoorie,

I enclose a card giving particulars of a Dance Recital and Concert that has been arranged by the China Defence League for Friday evening, October 18th. I do hope you will feel sufficiently interested -- both in the nature of the Concert, and the cause for which it is being held -- to want to come.

Miss Tai has studied classical and modern ballet in England for several years and has very great talent -- her dancing is really lovely. And Mr. Sze has an exceptionally fine voice; he has already given one excellent concert in Hong Kong.

We are particularly anxious to make this Concert an outstanding success as we believe it will be the first appearance of His Excellency at a Charity Performance on behalf of China in Hong Kong. And the cause of Chinese War Orphans, as you know, is urgent.

Yours sincerely,

Hilda Selwyn-Clarke
